### New York Stock Market

New York, September 28.—Quotations were advanced in a most impressive manner on the Stock Exchange to-day. In contrast to yesterday's turmoll and acute weakness it was a striking one. With scarcely an interruption, the forward movement was continued, until in the last hour heavy profit-taking caused a reaction. United States Steel, which has been the Central Point in the violent fluctuations of the week, was carried up 4 3-4 points, and, the preferred stock rose 2 3-8. Other gains were as large. Union Pacific advance 5 points, Reading and American Smelting, 4 5-8, and Lehigh Valley, St. Paul and Consolidated Gas, 3. The upward movement was general, the other active stocks with few exceptions rising from 2 to 3 points. The reaction in some cases cost the market half or its rise, but net gains were substantial. In the cases of United States Steel, Union Pacific and American Smelting the gains exceeded 3 points.

ceeded 3 points.

The day was devoted largely to driving the bears to cover. The snort interest was extended largely during yesterday's rush of selling, and the bears found themselves in a vulnerable position to-day. Stocks wer in scant supply at prices approaching yesterday's close, and an urgent demand from the shorts arose, which sent up prices with increasing force as the session progressed. The movement was helped by a widely cloudated report that a statement which would be reassuring to corporate interests would emanate soon from administration sources.

Announcement that the long deferred strike on the Harriman lines was imminent caused only momentary weakness. Union Pacific fell to a point below its best prices, and the rest of the list reacted fractionally, but the losses were soon more that made upgaltimore and Onio was heavy, in contrast with the general market. The Wabseh 4 per cent. debenture bonds railled after yesterday's break, but failed to hold the rise. America Tobacco bonds made further gains. The enormous transactions in these securities of recent days were explained as due to the reorganization plan, which provided, it was said, for retirement of three issues at figures considerably above recent quotations.

European markets were depressed by the Tripoli ultimatum and the approaching half-monthly settlement on the Paris Bourse. London again traded heavily in this market. Transactions for this account were estimated at 20,000 shares, at least two-thirds on the selling side. Paris was a heavy bor-saching and formatic prices realled, with the close steady set? points lower to plonts higher. proaching half-monthly settlement on the Paris Bourse. London again traded heavily in this market. Transactions for this account were estimated at 30,000 shares, at least two-thirds on the seiling side. Paris was a heavy borrower in this market to-day in connection with payments on the Afgentine loan of \$70,000,000. Another heavy decline in Paris exchange on London showed that the French money market has still a strain to undergo. The Bank of France reported in its weekly statement a decrease of \$4,600,000 in cash reserves, equally divided between gold and silver, while discounts were enlarged by \$40,700,000. The Bank of England reported a loss for the week in cash reserves of \$8,100,000.

Trading in bonds, while still large, was on a somewhat smaller scale. Prices generally were firm. Speculative issues showed mixed strength. 'tal sales hours unchanged on call.

Total sales for the day, \$1,360,300 shares.

# Three Centuries Ago

Shakespeare put into the mouth of King Richard II. these words, "LET'S CHOOSE EXECUTORS AND TALK OF WILLS," and that defeated and despondent monarch for a moment reflects, and then adds:

"And yet not so,-for what can we bequeath, Save our deposed bodies to the ground."

We hope no one of our readers this morning will view the matter as did this unfortunate King.

Our advice to every man and woman, if they are possessed of any property, is to make a will. And it should not be put off.

Please remember, where this Company is named Executor and Trustee, we will draw the will and make no charge for the service.

Come in and talk the matter over.
